

Milano Amazing Project

Corte Zari®

Un progetto residenziale di un professionista lombardo, Carlo Moretti, che affonda le sue radici nella storia dell'architettura italiana come modello urbanistico significativo per il suo tempo e da poco adattato alle nuove esigenze abitative dall'architetto Paolo Brufatto. Un intervento di interior design, il nostro in collaborazione con Shop Gallery Corte Zari Milano, che ha unito desideri, occorrenze e disposizione della casa, con la responsabilità di intervenire in uno spazio architettonico di grande rilievo storico.

A residential project by Lombard professional Carlo Moretti that has its roots deep in the history of Italian architecture as a significative model for the time that has recently been adapted to the new habitative needs by architect Paolo Brufatto. Our interior design operation, in collaboration with Shop Gallery Corte Zari Milano, combined our client's desires and needs with the existing structure of the house, with the added responsibility of intervening in an architectural space of great historical relevance.
