Lybra

Design: Archirivolto, Silvano Del Guerra

Una terra, la Toscana delle nostre radici, ricca di arte e di storia.

Un patrimonio che costituisce il bagaglio culturale, l' anima aziendale, la nostra visione plasmando le scelte e il gusto degli arredi che proponiamo.

L'autenticità delle nostre preferenze, sta tutto nella collezione Lybra, una collezione raffinata, contemporanea, equilibrata; sintesi di un presente mai astratto ma sempre meditato e attento.

A land, the Tuscany of our roots, rich in art and history.

A heritage that constitutes the cultural baggage, the corporate soul, our vision shaping the choices and taste of the furnishings we propose.

The authenticity of our preferences, is all in the Lybra collection, a refined, contemporary, balanced collection; synthesis of a present that is never abstract but always thoughtful and attentive.
